

## **HUMAN RIGHTS COUNCIL - 43<sup>rd</sup> SESSION**

**#OnePageFromUN**

### **The Geneva Centre will produce daily analytical reports on selected meetings of the Human Rights Council**

The **Geneva Centre for Human Rights Advancement and Global Dialogue** will be producing concise analytical one-page reports of selected meetings indicated below, as of the **43<sup>rd</sup> session of the Human Rights Council** (24 February - 20 March 2020).

Through this initiative, the Geneva Centre wishes to propose a solution to the budgetary restrictions that have led, since June 2019, the **UNOG Information Service to stop producing meeting summaries** of the substantive discussions of the Human Rights Council. The lack of coverage is unprecedented since the beginning of the Council and has already negatively impacted the work of permanent missions, civil society and other stakeholders.

Find below the list of the official meetings the **Geneva Centre** is planning to cover during **Week 1** of the Council, providing a summarized readout of the key topics and the participants' interventions. The meetings to be attended in the coming weeks will be indicated every week.

#### **Monday 24 February:**
